### Central College Faculty Recital.

One of the best concerts ever given in Lexington was the one presented by the musical faculty of Central College in Murrell auditorium last Monday evening. The audience was exceedingly appreciative, as such a meritorious entertainment deserved, and it was the unanimous verdict of those present that the performers had covered themselves with glory.

Following was the program:

Prelude G major . . . . . Chopin  
Nocturne, D flat . . . . . Chopin  
Intermezzo, B minor . . . . . Schumann  
Miss Addie Givens Wynne  
Il Barbiere di Siviglia . . . . . Rossini  
Cavatina—Una voce poco fa  
Mrs. A. W. Allen  
Nachtsstück . . . . . Schumann  
Staccato Etude . . . . . Rubinstein  
Mr. D. F. Conrad  
A Song-Cycle—In San Nazaro  
Woodman

(a) In San Nazaro's Garden  
(b) In San Nazaro's Cloisters  
(c) The Monks of San Nazaro  
(e) In Nazaro's Garden  
Mrs. Allen

Concerto, G minor . . . . . Mendelssohn  
Andante  
Presto  
Miss Jo Hinesley

Miss Wynne was at her best and in her opening numbers set a high standard for the remainder of the program. Probably the D flat Nocturne of Chopin, with its exquisite expression and artistic phrasing, was the most pleasing in her group. Beside her solo work, Miss Wynne played the accompaniments for Mrs. Allen with marked sympathy and understanding.

Many of the audience expressed the opinion that Mrs. Allen sang better than ever before. Her coloratura work in the operatic number was wonderful and her voice showed remarkable range and flexibility. But in the Song-cycle, which she gave for the first time in Lexington, was one of the most artistic pieces ever accomplished by a local singer. Her enunciation was perfect and her portrayal of emotion superb. The applause was indeed enthusiastic.

Mr. Conrad, the head of the music faculty, more than sustained his great reputation as a pianist. After the quiet and beautiful Nachtsstück, the brilliant Staccato Etude made one wish to rise up and cry "Bravo." The strength, accuracy and precision of attack were marvelous.

After each number the audience involuntarily wondered if the next would be quite so good; but the performers maintained the excellence of the program and the last number was a fitting climax. Miss Hinesley, accompanied by Mr. Conrad on second piano, without doubt astonished even her most ardent admirers. Her attack, her technique, her phrasing and her expression were amazing.

With such pianists as Mr. Conrad, Miss Wynne and Miss Hinesley, and such a singer as Mrs. Allen, the music faculty of Central college is without doubt one of the strongest not only in Missouri, but in the entire country. The concert Monday night was a triumph individually and collectively for this faculty.

## IF YOU HAVE A SICKLY YOUNGSTER TRY THIS FREE

The family with young children that is without sickness in the house now and then is rare, and so it is important that the head of the house should know what to do in the little emergencies that arise. A child with a serious ailment needs a doctor, it is true, but in the majority of instances, as any doctor knows, the child suffers from some intestinal trouble, usually constipation.

There is no sense in giving it a pill or a remedy containing an opiate, nor is flushing of the bowels to be always recommended. Rather give it a small dose of a mild, gentle laxative tonic like Dr. Caldwell's Syrup Pepsin, which, by cleaning out the bowels and

strengthening the little stomach muscles, will immediately correct the trouble.

This is not alone our opinion but that of Mrs. N. H. Mead of Freeport, Kan., whose granddaughter has been taking it successfully and of Mrs. J. R. Whiting of Lena, Wis., who gives it to her children and takes it herself. It is sold in fifty cent and one dollar bottles at every drug store, but if you want to test it in your family before you buy it send your address to Dr. Caldwell and he will forward a trial bottle free of charge.

Address him Dr. W. B. Caldwell, 402 Caldwell building, Monticello, Ill.
